PROFILE

I have just completed a coding bootcamp with SheCodes, and I am passionate about building responsive, accessible and user-friendly websites and applications. I am eager to apply and expand my technical experience in a dynamic, collaborative environment. With a background in English language teaching, editing and assessment, I am excited to combine my people skills and passion for helping people with my new-found technical abilities.

EMPLOYMENT HISTORY

Junior Front-end Developer (Remote)

NOVEMBER 2023 - PRESENT

After being made redundant from my previous role, I decided to switch careers and retrain as a Front-end Developer. I have learned skills such as:

- HTML, CSS, JavaScript, React, Bootstrap & VS Code
- Turning mock designs into web pages and web apps
- Building responsive websites and apps
- Developing search tools
- Integrating APIs

I have also worked on some web pages for friends and family to gain experience. See my [portfolio](#) for more details.
